# *Foreword:*

The day is done and darkness has fallen
From the wings of night,
As a feather is wafted downward
From an eagle in his flight,
And the night shall be filled with music.

# *Dedication*

Because of his deep understanding and keen humor which have always endeared him to us, we seniors do proudly dedicate this 1957 Yellow Jacket to Mr. Bill Thomas.

Mr. Thomas has always proved himself to be our counselor, our helpmate - but most important, our friend. He has helped to make our days at L. H. S. happy ones which we shall always fondly remember.

To the Class of 1957:

Forty years ago this spring, 1917, the first yearbook was published by the Leesburg High School seniors. In 1902 the Leesburg High School was established. One student completed the requirements for graduation and received a diploma.

This year, 1957, Leesburg's Centennial Year, over one hundred students will graduate from L. H. S. Leesburg High School has played a very important role in the growth and development of Leesburg from a small rural community to a wide-awake, progressive and prosperous city of over ten thousand population.

Worthwhile educational experiences, academic competency, and experiences in democratic citizenship are all a part of our goal.

Evaluations, constructive criticisms, and a cooperative spirit have guaranteed for Leesburg boys and girls a fine educational institution here at L. H. S.

The faculty joins with me in saying to each graduate: "Congratulations" on a job well done. May your future be healthful, happy and successful in the many endeavors that you may undertake as one of Florida's Future Citizens.

Surprised to see the president of the senior class occupying the chair of J. C. Rogers, President of the First National Bank of Leesburg?

It's not as strange as it seems! You see, the President himself is a graduate of Leesburg High, too, as is Ken Rast's father (shown above), now Vice President and Cashier of our bank.

In fact, five of our nine officers, six of our fifteen directors, and fifteen members of our staff are graduates of old L. H. S. !

We in our bank appreciate greatly the wonderful educational system of Leesburg, which has provided us with so many efficient and valuable workers throughout our fifty years of service to Central Florida!

Our Best Wishes for Your Success!

Mrs. Shafer,

I want you to know I've really enjoyed knowing you. You are the best gym teacher in the world and the best driver I know. Hope you and Bill always have the best of everything.

Your friend & student,
Bobbie Smith

The yearbook staff would like to remind its readers that 1957 is Leesburg's Centennial year, and all males have the prerogative of recreating scenes of yesteryears by becoming Brothers of the Brush.

The members of the YELLOW JACKET staff would like to express our appreciation to the advertisers, students, and teachers who helped make this yearbook possible. Without their support the publication would not have been possible.
